

Amendment to Lori Liggett's 2025–2026 Contract with Bayard Public Schools

Position: Superintendent of Schools

Amendment:

Per Board action on August 11, 2025, in lieu of providing a single health insurance policy (\$759/month) and dental policy (\$31.78/month), totaling **\$9,489 annually**, the District will instead contribute **\$600 per month** to a **Health Savings Account (HSA)**, totaling **\$7,200 annually**. This adjustment results in an **annual savings of \$2,289 to the District**.

All other terms and conditions of the contract remain unchanged.
